• **Business Builder Award – First Place**
Partner Program and customer support

• **Company Leadership Award – Second Place**
Leading companies in the industry

According to Avi Wazana, CEO "We would like to thank the readers of Recharger Magazine and everyone who voted for us. We are honored to accept these awards especially because it is our industry that voted for us. It is an impressive set of awards from our peers. And they are a true testament of our hard work. Every one of our employees, customers and vendors contributed to our success and we would like to thank them for their support and loyalty."

The Recharger Magazine Readers Choice awards are presented to the top companies in the cartridge remanufacturing industry and this is the fourth year that MSE has been nominated and won more awards than any other cartridge manufacturer. This year's voting

process was done via the web where IP addresses were noted in order to avoid duplications and more than one thousand votes were cast. This democratic voting process was compiled by Recharger Magazine and was audited by an outside firm to ensure accuracy.

Micro Solutions Enterprises (MSE) manufactures and distributes a full line of compatible toner cartridges, inkjets, and thermal transfer ribbons that are backed by award winning support. Production capacity at MSE is over 90,000 toner cartridges and 150,000 inkjets per month and we currently stock
