

MSE Announces Din 33870 Accreditation

VAN NUYS, CA - Micro Solutions Enterprises (MSE), the industry leader for quality compatibles, announces DIN 33870 accreditation.

According to European Toner and Inkjet Remanufacturers Association (ETIRA), DIN is short for Deutsche Industrie Norm, the worldwide renowned German institute for standardization. DIN 33870 Information technology; Office machines – Requirements and tests for the preparation of refilled toner modules for electrophotographical printers, copiers and facsimile machines. It specifies quality characteristics and functions of the refilled printer modules, describes the verification of print quality, and defines minimum requirements for ensuring consistent print quality and trouble-free functioning throughout the product's life. This technical specification provides a basis for assessing refilled printer modules taking aspects of environmental protection and sustainability into consideration.

“We are proud to have adopted this important standard.” Says Yoel Wazana, President of MSE. “For 15 years, we have invested into technologies and engineering in order to offer the highest quality products possible. Along with our STMC and ISO 9001 certifications as well as our adoption of ISO 19752 and ISO 19798 page yield standards, DIN 33870 plays an important role in both dealer and consumer confidence – especially in the international marketplace.”

Micro Solutions Enterprises (MSE), an ISO 9001/ISO14001 certified company utilizing 24 patented and patent pending technologies, manufactures a full line of high-quality compatible toner cartridges, MICR toner cartridges and print head based inkjets. MSE's manufacturing capacity exceeds 300,000 toners and 500,000 inkjet cartridges per month. The company owns and operates more than 260,000 square feet in California and Pennsylvania as well as additional distribution facilities in Canada, the Netherlands, Brazil and Israel. MSE offers full solutions for outsourcing, private labeling, private packaging, and blind drop shipping. The company also offers award-winning sales training, marketing materials and additional value-added services.
