

MSE Releases Hp P4014 (Cc364a) Jumbo Compatible

VAN NUYS, CA - Micro Solutions Enterprises (MSE), the industry leader for quality compatibles, announces the release of their HP P4014, 18,000 page yield JUMBO compatible cartridge.

Craig Faczan, Marketing Manager states, "With the HP P4014 LaserJet printer having print speeds of 45 pages per minute, consumers are likely to use the 10,000 page yield OEM model in less than 4 hours of continuous printing (based upon 5% coverage). MSE's 64A JUMBO cartridge offers an amazing 80% more yield than the 64A OEM version and is also compatible in the P4015 and P4515 models making one high yield, 18,000 page yield product available for multiple models. It is the smart decision for both dealers and their end users."

Micro Solutions Enterprises (MSE), an ISO 9001/ISO14001 certified company utilizing 24 patented and patent-pending technologies, manufactures a full line of high-quality compatible toner cartridges, MICR toner cartridges, inkjets and thermal transfer ribbons. MSE's manufacturing capacity exceeds 300,000 toners and 500,000 inkjet cartridges per month. The company owns and operates more than 260,000 square feet in California and Pennsylvania as well as additional distribution facilities in Canada, the Netherlands, Brazil and Israel. MSE offers full solutions for outsourcing, private labeling, private packaging, and blind drop shipping. The company also offers award-winning sales training, marketing materials and additional value-added services.
