

MSE Announces Success At Remax 2009 Show

VAN NUYS, CA – Micro Solutions Enterprises (MSE), the industry leader for quality compatibles, successfully displayed at Remax 2009 and is optimistic about market potential.

"Remax 2009 was very successful for MSE Europe." Said Mark Dawson, Sales Manager MSE Europe. "Not only did we get to meet a number of important existing customers, we made some very exciting new contacts. I have no doubt that we will develop many strong new trading relationships – especially as a result of our presence in Dusseldorf."

Dawson added "We continue to grow our sales of Colour LaserJet products aggressively. The market appreciates MSE's specific competence as a colour specialist for cartridges that are compatible with HP colour laser devices. In addition, there was an excellent positive buzz around the show. Recent OEM price hikes and the economic climate are motivating many large users to seek out high quality compatible solutions. This buzz is penetrating all the way through the supply chain and makes us extremely optimistic of achieving a record year for MSE Europe".

Micro Solutions Enterprises (MSE), an ISO 9001/ISO14001 certified company utilizing 24 patented and patent-pending technologies, manufactures a full line of high-quality compatible toner cartridges, MICR toner cartridges and print head based inkjets. MSE's manufacturing capacity exceeds 300,000 toners and 200,000 inkjet cartridges per month. The company owns and operates more than 260,000 square feet in California and Pennsylvania as well as additional distribution facilities in Canada, the Netherlands, Brazil and Israel. MSE offers full solutions for outsourcing, private labeling, private packaging, and blind drop shipping. The company also offers comprehensive managed print solutions, award-winning sales training, customized marketing materials and additional value-added services.
